I was also annoyed
At the mayor now !
Why?

EEEEEE.....
You're pretty excited

Once done, I'm actually happy to be hanging out with my gang in street
But, if it is done, I also feel hard

Ng? hard?

That is, for some reason the mayor still have to build this road

For example, this road, it seems only exist for the sanatorium in the mauntains
Even if this road not here, we can still go there, although the road is narrow

If this path continues, that place will be lost
There is my children's daycare ahead
Hmmm ...
How old are you?
Eeeeh ...
Girl , 3 years old! cute, you know! Like me
MOMOYATSUKO ALREADY HAVE CHILDREN?
Ng?
19
Have a child at 16 years old

If the daycare is gone, I can not work during the noon
Her father had died, sa I had to work hard
Because these projects is mayor's, if the mayor change, may be the project can be discontinued
So, I wont to sakamichi sensei to fight
As you can see tanight, me and my gang wander, but after a late night, I had ta became a hastesses

一番印象に残っているのは，第一秘書の猿渡さんでしょーか。
なかなかイメージが固まらず，打ち合わせのたびに
キャラクターの形が変わっていきました。
結局，最終的に決定したのは原稿に下描きが入った後で，
猿渡の登場シーンは全部描き直すということに……。
